

911 Reflective Address Panels

A Great Youth Fund Raiser!

One of the best parts about this fundraiser is that it's a great Safety product that anyone with a home should have and it's not candy or subs! **These Address Panels will LAST for many Years!**

You've probably seen these blue or green reflective house number panels. They are hard to miss. In some areas of the country these reflective address panels are now **mandatory for 911 support.**

Friends and Family have two great reasons to buy...

1. Support the youth and their project goal
2. Make their home easy to spot for Police, Fire and Medical first responders
